Dear Sarbjot Singh Locham:

Re: Delegation Request - LU009583 (Boulevard Driveway Access - Pitman Place Frontage)

Thank you for your letter delivered to Legislative Services on May 15, 2026.

As outlined in Jeremy Poole's letter dated November 5, 2025, enclosed for your convenience, the City does not view the delegation process as an appropriate avenue for a development applicant to revisit decisions made by staff or Council. If you have concerns regarding decisions made by City staff or the development approval granted by Council, the City would encourage you to seek independent legal advice to better understand any legal remedies that may be available to you.

At this time, the City's position remains unchanged, and the decisions made, along with the reasons for those decisions, have already been communicated. As such, the City does not anticipate any further correspondence on this matter.

Kind regards,

Leslie Tuerlings
Deputy Corporate Officer
